WHY BOOK?

Both the interior and exterior design were done by local artists and designers. They even matched the artworks to the location of the property, which is just a stone's throw from Avenida da Liberdade in the heart of the city. The lively lobby leads to a courtyard and a pool. On the ground floor, travelers can meet locals, relax during communal yoga classes, or get a memory for the ages at the in-house tattoo studio. Hotel Hotel is a member of [Design Hotels™](#).
